The Drongs are a collection of isolated rocks situated in St. Magnus Bay, justly considered one of the grandest inlets on the Shetland coast. The whole bay abounds in these extraordinary evidences of some bygone natural convulsion, some of the rocks taking quaint and picturesque forms. The Drongs, of perpendicular formation, bear a resemblance to the ruins of some ancient castle.

The

Season's Greetings

Christmas! Christmas! Happy
Season,

Filling hearts with hope and
cheer,

May it prove the best and brightest
You have had for many a year.

Dear Eva.
Many thanks for the P.C. I am glad to say Emma is better she is up. The doctor says she will stay along now & she may take little walks. I hope you are all well & happy. I am yours & my mother's.
